

MARION COUNTY CHAMBER OF COMMERCE

Dear Future Member:

The Marion County Chamber of Commerce is looking forward to having you join our team as a member. We have many opportunities for new members including an \$750 free advertising package courtesy of the Times WV, Fairmont News, and LHTC Radio. As the President of the MCCC, it is my job to guarantee that your Chamber team is committed to helping help our members grow their business while providing them with networking opportunities that allow them to connect with one another and promote themselves and their companies.

The Marion County Chamber of Commerce is a county-wide chamber with over 400 members in the tri-state area. We are proud of our ability to connect our members to one another and provide them with business assistance, education, recognition, legislative updates and engagement opportunities.

With Interstate 79 setting the pace for business growth, Marion County is in the perfect location to experience continued growth over the next 10 years.

It will be an honor and privilege to serve you as well as all the businesses we work with in this region. Please find comfort in knowing that Your Success is Our Success, and we look forward to working with you in the future. Please let us know if we can answer any questions for you or if you need further assistance becoming part of the Marion County Chamber of Commerce.

Best Wishes,
